Consideration of SAW Grant Application Resolution

Stanchina detailed the projected costs of receiving a State of Michigan SAW Grant. He noted that the project would include the cleaning, assessing and mapping of the City's sewer system. Stanchina questioned the merit of utilizing tablets in the field due to accelerated wear and obsolescence. He relayed that televising and the development of an asset management plan are also included in the project. Stanchina stated that each community is eligible for up to \$2,000,000 in funding through this program; leaving the City eligible for \$1,200,854 in funds for future capital improvements. He proceeded to explain the method by which successful applicants will be selected. Stanchina clarified that Coleman Engineering has been informed that engineering services for this project would be bid out if the proposed grant application is approved.

It was moved by Farragh and supported by Alessandrini to approve the resolution authorizing the SAW Grant Agreement.
