Consideration of Ballot Proposal Re: School Liaison Officer Millage

Stanchina detailed the proposed language for the renewal of the School Liaison Officer millage. He noted that the Iron Mountain Public Schools can no longer afford the position and that they are requesting that the City present the voters with a ballot proposal to increase the maximum levy and fully fund the School Liaison Officer position. Rosen voiced his objection to increasing taxes. Alessandrini, List, Revord and Villa conveyed the opinion that the voters should decide if they want to increase their taxes. Zolner disapproved of the City being asked to propose a millage for the entire cost of the School Liaison Officer. Moraska relayed that he does not support increasing taxes or representing the issue a second time after it has already been presented once. Rosen and Alessandrini debated the City's current level of taxation. Villa, Alessandrini and Zolner stressed that they would not vote to represent the School Liaison Officer Millage if it did not pass the first time. Moraska raised the concern that the proposed ballot language does not adequately convey that the School Liaison Officer only works in the school for an equivalent of six months of the year while the millage is funding a whole year. *Villa expressed the opinion that the school utilizes the liaison officer for nine months of the year.*

It was moved by Alessandrini and supported by Revord to approve the proposed ballot language for the renewal of the School Liaison Officer Millage.

Authorization to Solicit Bids Re: Skate Park

Stanchina imparted that approximately \$35,000 is available for the completion of a skateboard park. He explained that soliciting bids where each piece of equipment is priced individually would allow the City to ensure the project fits within the budget. Stanchina confirmed that a 120 day price guarantee could be included in the bid. The Council discussed the available project budget and ways to reduce the overall cost. Zolner and Moraska questioned the adequacy of the skateboard park that could be built within the available budget. Rosen stressed that additional equipment can be added to the skateboard park in the future.

It was moved by Rosen and supported by Villa to authorize the solicitation of bids for the development of a skateboard park, as presented.

Consideration of Resolution Re: Opposition to HB 5097

Stanchina highlighted the potential effects of HB 5097 passing. He objected to House Bill (HB) 5097 due to reduced bargaining leverage and the creation of inequality among bargaining units. He clarified that voting yes on the resolution would be a vote against exempting Police and Firemen from Public Act 54 of 2011. Revord and Alessandrini imparted that they are opposed to the inequality HB 5097 would create. Alessandrini expressed the opinion that employees are not afforded the ability to negotiate on a fair basis due to Public Act 54 of 2011. It was moved by Moraska and supported by Rosen to approve the resolution opposing House Bill 5097 with the inclusion of a clause noting the inequality it would create.

Approval of Contribution Re: IM-K Community Schools

Rosen raised the concern that this item should be addressed within the budget process. He asked that this item be tabled due to the need for a policy clarification. List questioned the rationale behind soliciting donations only from Breitung Township, Iron Mountain and Kingsford when residents from other municipalities utilize the program at the same rate. Stanchina communicated that it would be more expensive for the City to offer its own Parks and Recreation Program. Rosen expressed the desire to address organizational donation requests on a more impartial basis. Moraska supported offering activities for children.

It was moved by Alessandrini and supported by Revord to approve a contribution to the Iron Mountain – Kingsford Community Schools for the Summer Recreation Program in the amount of \$3,000.
