Approval of Change Order Re: East A Street

Stanchina noted that additional utility work and curb installation needed to be included in the project. He proceeded to detail the proposed changes. It was concluded that portions of the extra costs will be billed to the Water, Sewer and General Funds. Stanchina estimated that the net effect to the General Fund would be approximately \$10,000. It was concluded that the 600 Block should be omitted from the Change Order. Farragh Clarified that the residents drive way approaches will be addressed.

It was moved by Alessandrini and supported by Farragh to approve the net adders for the 700 Block, Madison to Adams Street, and the Madison Street Intersection and South 100 feet in an amount not to exceed \$24,000.
